BOOTH EXHIBITS

Booth spaces are 10' x 10'. Booth rental includes a standard backwall drape 8' high and 3' high side rails, standard booth sign showing firm name and booth number, draped 6' table and two chairs. Additional furniture, electrical, etc., may be rented from GES at additional charges.

TABLE EXHIBITS

All table exhibits are provided with a 6' foot draped table, carpet and one chair. All display materials must be confined to the top of the table and may not exceed three feet in height from the top of the table. Exact placement of tables may vary from floor plan. No table exhibitor may change the location of the assigned table.

DISPLAY HEIGHTS

All booth arrangement shall conform in all respects to dimensional and height requirements. Booth backwall height is 8' including side with 3' dividing rails. Exhibitors will not erect nor maintain a backwall higher than 8', and all sidewalls over 42" in height and all solid opaque structures more than 12' wide shall be confined to within 3' of the back line of the applicants space. Any portion of the exhibit extending above the booth equipment or any open or unfinished sides of the exhibit must be draped, at exhibitor's expense, so as not to appear objectionable. These limitations are intended to provide a clear view of the neighboring exhibits.

SPACE ASSIGNMENT

Space assignments will be solely at the discretion of Show Management; however, Show Management will consider the exhibitor's request on this application along with date received, CLA Business Membership and seniority. Show Management reserves the right to change location assignments at any time, as it may deem necessary.

INSTALLATION AND DISMANTLING

All property is to be shipped to GES Exposition Services for delivery to the exhibition hall. Any space not claimed or occupied one hour before official opening may be reassigned without refund of rental paid. No exhibits will be dismantled and no packing permitted prior to the official closing time. In order to conform to union contract rules and regulations, it will be necessary that all exhibitors use qualified union personnel for the installation and dismantling of exhibits and for material handling within the show. The handling, placement or setting out of merchandise that is to be displayed does not require union labor and may be done by the exhibitor. GES Material Handling Department is responsible for maintaining in and out traffic schedules at the show site. All exhibitors should clear all movements of exhibit materials through this department. Union jurisdiction allows hand carried items only and will not permit exhibitors' use of dollies, hand trucks or pushcarts. Electrical installation must conform to Union rules and regulations and to all national state and local codes. Exhibits may not be dismantled prior to the conclusion of the exhibits at 3:00pm on Saturday, November 4, 2017. All exhibits must be dismantled and exhibitors must vacate the exhibit floor by 6:00pm on Saturday, November 4, 2017. Please note that early dismantling could jeopardize your exhibit placement for 2018.

At any time and for any reason, the Show Management may, at its sole discretion and without prior notice, rescind and cancel any contract, arrangement or agreement with any Exhibitor, or any other person concerning exhibit space or attendance at the Conference or both, upon refund of monies received from the exhibitor or person. This applies to persons advertising or soliciting, or anything of a similar nature. All exhibitors and other persons expressly agree to waive any rights to damages or other forms of relief related to such decision and cancellation by the Association as consideration for the conditional privilege to exhibit at, and/or attend, the conference.

Every precaution will be taken to safeguard exhibitors' property and security guards will be posted both during exhibit hours and when the exhibit area is closed.

AMENDMENTS

Show Management shall have full power in the interpretation and enforcement of all rules contained herein and the power to make such reasonable amendments thereto and such further rules and regulations as it shall consider necessary for the proper conduct of the conference, provided same do not materially alter or change the contractual rights of the exhibitor.
